## EDUCATION:

CE met on Wednesday, May 11<sup>th</sup> at NBG&CC. We had 3 guests attending and enjoyed them telling us a little about themselves. After our meal we enjoyed cake and socializing. I have loved being chairman of this group and look forward to another year. We all work well together while still having a good time.

Jean Horrell

## PUBLIC ISSUES:

Public Issues met at Morgan's for their "end of meeting year" lunch. We had such a nice time we've decided to meet for lunch throughout the summer. If anyone would like to join us for conversation and lunch the third Tuesday of any summer month, please contact Shirley Elliker or me.
